Message to all Parents

As the weather can change quickly, make sure that your children are dressed appropriately (gloves, helmet, sunglasses, sun cream etc.) The « Jardins d'enfants » (Children's Snow Garden) does not provide any clothing or equipment. Please ensure that your child is fully equipped with skis and boots before you arrive on the first day. We also strongly recommend the use of a helmet! You will also need to ensure that your child has a valid ski pass in his pocket (this is free for children under 5 years old, please bring his ID with you to prove the age at the Ski Pass desk) and is adequately insured.

>> Please notify us of any special requirements (dietary etc.) or medical conditions that we should know about. The Club requires a copy of the child's birth certificate and vaccination certificate. No booking will be taken over the phone.

Bookings : To ensure we are able to fulfil your request, booking in advance is highly recommended, especially as the Club is very popular during the Holidays! Your bookings must reach us *at least 15 days before the start of the lesson(s)* desired with the total payment in order for them to be confirmed. Proof of age will be requested.

Prices : Please note that no ski passes, equipment nor insurance are included in the prices quoted for our lesson / Club options.

Refunds : If a request for a cancellation (*notified in writing by fax or by the post*) is received at least 2 days before the start date of the lesson(s) reserved, then the full amount of your reservation will be refunded. No refunds will be given if a pupil missing his lesson(s) or Club session(s).
